## Elementary General Music

## Table of Contents

### **Module 1: Introduction to Elementary General Music**

What is Elementary General Music?

Why is Music in the Elementary School Curriculum?

What is the History of Elementary General Music?

What are the Early Influences on Elementary General Music in the United States?

Who is Lowell Mason?

How is Music Education Different Today?

Module Summary

Assignment 1: Warm-up to Speaking as a Teacher

Quiz 1: Introduction to Elementary General Music

### **Module 2: Becoming an Effective Teacher**

What are the Professional Skills Necessary to Become an Effective Teacher?

What Kind of Academic Background is Necessary to Become an Effective Teacher?

What are the Personal Characteristics Necessary to Become an Effective Teacher?

What are the Essential Musical Skills an Effective Teacher Needs?

What do the Professional Organizations Indicate are Important Qualities?

Module Summary

Assignment 2: Warm-up to Teaching

Quiz 2: Becoming an Effective Teacher

### **Module 3: Curriculum Design and Development**

What is a Curriculum? What are the Elements of an Effective Curriculum?

How are the Goals and Objectives Identified?

What are Age- and Grade-Appropriate behaviors? How are High-Quality Materials and Resources Selected?

What are Appropriate Music Activities

What are Music Learning theories? What is the Appropriate Length for a Music Lesson?

Module Summary

Assignment 3: Breaking Down a Music Element

Quiz 3: Curriculum Design and Development

### **Module 4: Lesson Design**

What is a Lesson Plan?

What is an Observable Behavioral Objective?

How are the Lesson Materials Chosen?

How are Procedures Designed?

How are Multi-Sensory Lessons Designed? What is "Closure"?

What is Meant by Assessment?

# ONMUSIC EDUCATION

## Elementary General Music

Can Technology be Useful in Assessment and Evaluation?

Module Summary

Assignment 4: Student Lesson Plan Development

Quiz 4: Lesson Design

### **Module 5: Instructional Delivery**

What are the Elements of Effective Instructional Delivery?

What are Good Leadership Skills?

Why is Pacing Important?

What is a Transition in Teaching?

How Does a Lesson Begin? How do Teachers Monitor, Adjust, and Respond While Teaching?

What are Additional Elements That Will Improve Teaching?

What are Some Weak Approaches to Implementing a Lesson?

Module Summary

Assignment 5: Analysis of a Teaching Video

Quiz 5: Instructional Delivery

### **Module 6: Contemporary Methodologies**

What are Different Teaching Approaches in Elementary Music?

What is the Orff Approach?

How Does a Teacher Use the Orff Approach?

How is the Orff Approach Taught?

What is the Dalcroze Approach?

How Does a Teacher Use the Dalcroze Approach?

How is the Dalcroze Approach Taught?

What is the Kodály Approach?

How Does a Teacher Use the Kodály Approach?

How is the Kodály approach taught?

What is the Gordon Approach?

How Does a Teacher Use the Gordon Approach?

How is the Gordon Approach Taught?

Module Summary

Assignment 6: Developing and Teaching an Orff Lesson

Quiz 6: Contemporary Methodologies

### **Module 7: Reaching All Learners**

What is Curriculum Integration?

How is Integration Implemented?

What Subjects can be Integrated with Music?

What is Multicultural Music Education?

How is Multicultural Music Education Integrated Into the Curriculum?

How is a Multicultural Music Lesson Taught?

# ONMUSIC EDUCATION

## Elementary General Music

What are Special Learners?

How are Special Learners Included into Music Classes?

What Adjustments Need to be Made When Teaching Special Learners?

Module Summary

Assignment 7: Creating Accommodations for Special Learners

Quiz 7: Reaching All Learners

### **Midterm Exam**

Midterm Exam

### **Module 8: Designing Lessons in Singing**

How is Singing Taught?

Why is Preparation Important? How Should I Model the Song?

What is a Starting Pitch? How Do I Take a Preparatory Stance?

What is Chunking? Why Shouldn't I Sing Along With the Students?

Should Solfège be Used When Teaching Younger Students?

How is Accompaniment Added to the Song?

How is Quality Song Literature Selected? Can Technology be Used to Teach Singing?

Module Summary

Assignment 8: Teaching a Song

Quiz 8: Designing Lessons in Singing

### **Module 9: Designing Lessons in Movement**

How are Movement Activities Taught?

What are Introductory Movement Activities?

How Can Movement Teach Musical Concepts and Creative Expression?

What are Action Songs?

What are Guidelines for Leading and Teaching Movement Activities?

How are Formal Dances Taught?

How are Movement Activities Assessed?

Module Summary

Assignment 9: Movement Experiences in Music

Quiz 9: Designing Lessons in Movement

### **Module 10: Designing Lessons in Listening**

Why are Listening Lessons Important?

How Can Listening Encourage and Teach Creative Expression?

How are Aural Skills and Repertoire Developed Through Listening? How Can Listening Lessons Increase and Reinforce Music Concepts?

In What Ways Can Students Begin to Form Thoughts About Music? What are Some Guidelines for Teaching a Listening Lesson?

What is an Effective, Sequential Process for Teaching Listening?

# ONMUSIC EDUCATION

## Elementary General Music

How Can I Make the Listening Experience More In-Depth? – Or How Many Times Should Students Listen to the Selection?

How Can the Listening Experience be Made Meaningful to Students? How are Listening Activities Assessed?

Can Technology be Useful in Teaching a Listening Lesson?

Module Summary

Assignment 10: Designing a Listening Lesson

Quiz 10: Designing Lessons in Listening

### **Module 11: Designing Lessons in Creativity**

Why are Creativity Lessons Important? What are the Guidelines for Teaching Creativity?

What Types of Exploratory Activities are Effective for Young Students?

Are Elementary Students Able to Improvise?

Are Elementary Students Able to Compose Music?

How are Creative Activities Assessed?

Can Technology be Used with Creative Activities?

Module Summary

Assignment 11: Designing a Lesson in Creativity

Quiz 11: Designing Lessons in Creativity

### **Module 12: Designing Lessons in Rhythm and Melody**

Why is it Important to Teach the Music Elements?

What are the Concepts of Rhythm?

How is a Rhythm Lesson Designed?

What are Some Effective Strategies for Teaching Rhythm?

What are the Concepts of Melody?

How is a Melody Lesson Designed? Can Technology be Used to Teach Rhythm and Melody?

Module Summary

Assignment 12: Rhythm and Melody Experiences in Music

Quiz 12: Designing Lessons in Rhythm and Melody

### **Module 13: Designing Lessons in Form**

What is Form in Music

What are the Concepts of Form?

How is a Lesson on Form Designed? Can Technology Be Used to Teach Form?

Module Summary

Assignment 13: Teaching a Lesson in Form

Quiz 13: Designing Lessons in Form

# ONMUSIC EDUCATION

## Elementary General Music

### **Module 14: Designing Lessons in Timbre, Harmony, and Expression**

What are Timbre, Harmony, and Expression in Music?

What are the Concepts of Timbre?

How is a Lesson on Timbre Designed?

What are the Concepts of Harmony?

How is a Lesson on Harmony Designed?

What are the Concepts of Expression?

How is a Lesson on Expression Designed?

Module Summary

Assignment 14: Lesson Plan Analysis

Quiz 14: Designing Lessons in Timbre, Harmony, and Expression

### **Module 15: Tools for Teaching – Instruments and Technology**

Why are Playing Instruments Important for Students? What are Effective Guidelines for Instrument Instruction?

How are Students Taught to Play Instruments? How are Students Assessed When Playing Instruments?

What is Technology in Teaching?

In What Ways Can Technology be Used in Public Schools?

What are the Most Common Forms of Technology in the Schools?

How Can Technology Help Me Become a More Efficient Teacher?

What are Some of the Newest Ways to Integrate Technology into the Music Classroom?

Module Summary

Assignment 15: Teaching a Lesson using Technology

Quiz 15: Tools for Teaching – Instruments and Technology

### **Final Exam**

Final Exam
